Dear Mr. Satrom:

The Department of Toxic Substances Control (DTSC) is in receipt of the Draft Final Supplemental to the Basewide Environmental Baseline Survey (SEBS) and the Draft Final Finding of Suitability to Transfer (FOST) for 8.0536 acres of fee-owned property to the Ontario Local Redevelopment Authority. These documents are dated March 2, 2000.

DTSC concurs with the reclassification of the 8.0536 acres to Category 3. In addition, we do not have any major comments to be forwarded on the above transfer documents.

We would like to thank you for the opportunity to comment on the draft SEBS and FOST for transfer of 8.0536 acres of fee-owned property to the Ontario Local Redevelopment Authority. If you have any questions or concerns, please contact me at (714) 484-5432.
